## About Salesfire

---

Salesfire is a two year old Software as a Service company focusing on tools to help online businesses improve their conversion rate and maximise sales. Over this period we have grown to a team of 23 people and we are looking to expand further throughout 2019.

As we continue to grow our team to help us improve and develop our product offering, we are seeking a Graphic Designer to work alongside the Marketing Team to continue developing the Salesfire brand and deliver innovative and creative solutions to our clients and colleagues. The ideal candidate will be adaptive to new challenges with a strong desire to learn and develop, in both a digital and print design capacity. A strong attention to detail and a varied portfolio in both digital and print is essential.

We are based in the digital heart of Middlesbrough with excellent links to public transport (bus and train) and easily commutable by car.
